POST EVENT REPORT

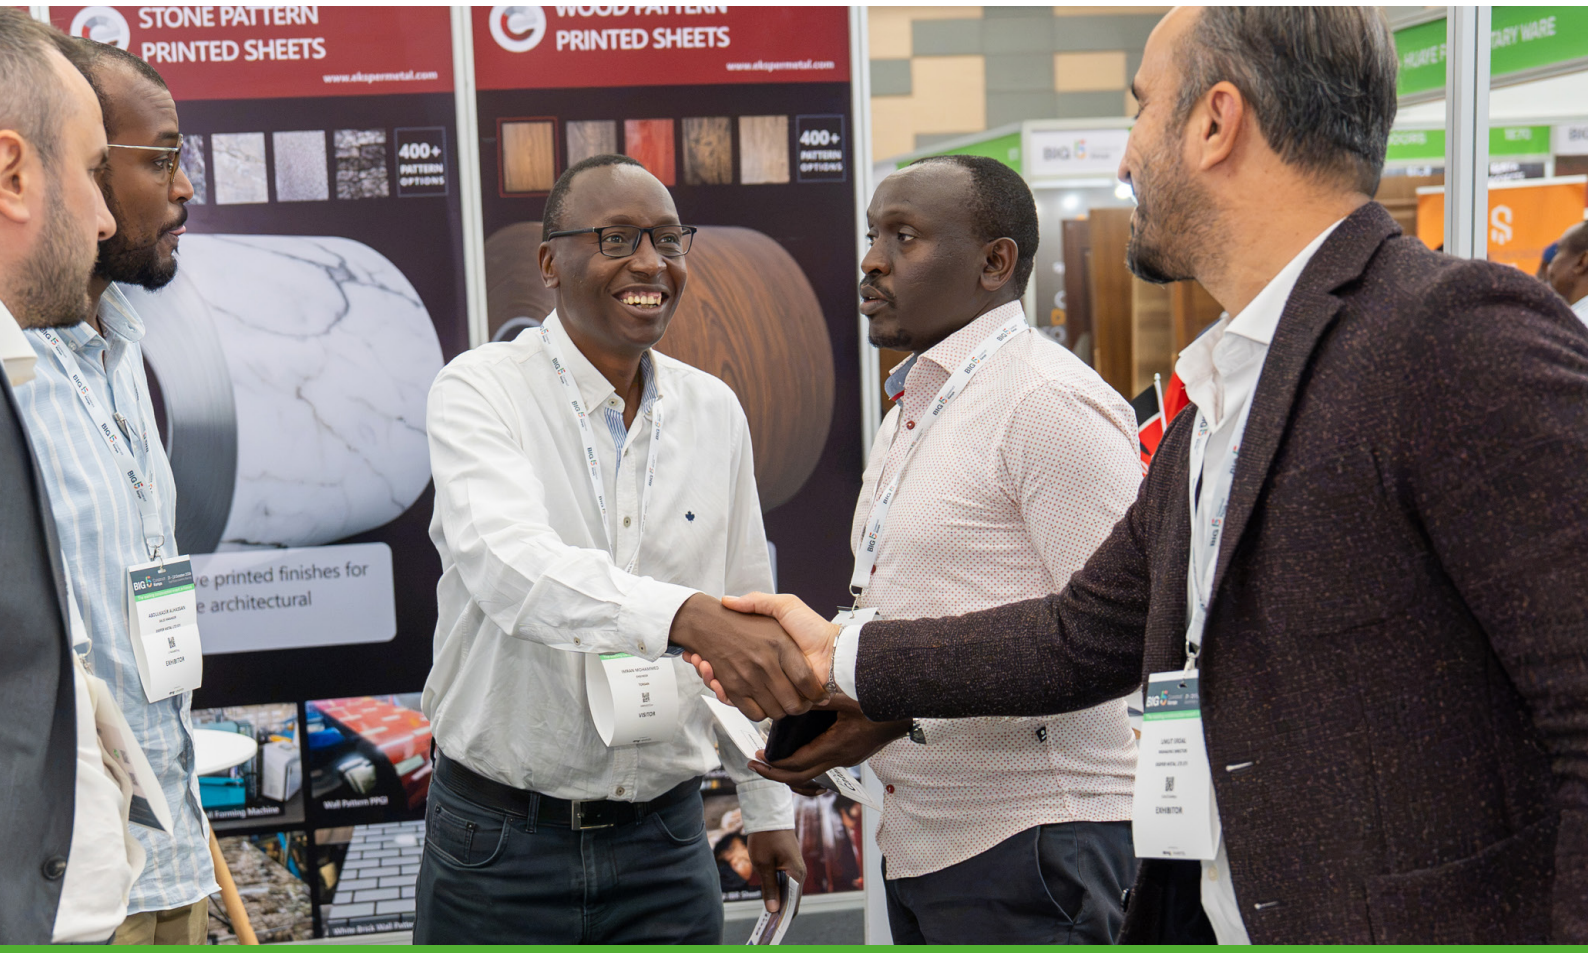

Connecting the construction industry in Kenya

Fostering valuable connections across Kenya's construction industry

The 9th edition of Big 5 Construct Kenya welcomed 7,511 attendees and 140 exhibitors from 23 countries, connecting suppliers with contractors, architects, engineers, distributors and key decision-makers from across the construction value chain.

Across three days, the event created opportunities to source products, exchange insights and build new business relationships that support project delivery across Kenya.

A truly international show floor

Six country pavilions brought an even stronger international presence to this year's event, with Italy, China, Egypt and Türkiye represented, alongside Germany which was new for 2026.

The right buyers on the floor

In partnership with the Property Show, the event hosted a curated buyers' programme, bringing key decision-makers directly to exhibitors. The programme generated meaningful business outcomes, including a KES 3 million scaffolding order placed by KHAWE Urban Developers, demonstrating the value of connecting exhibitors with ready-to-buy project stakeholders.

Fresh experiences introduced this year

Big 5 Impact Trail - A dedicated trail showcasing sustainable products and solutions across the exhibition floor.

Student Talks - Expert-led sessions giving students practical insights into careers and opportunities in construction.

Neuce Community Mural - An interactive mural where visitors came together to create a collaborative piece of art.

Best Exhibition Stand Award

Kohler East Africa was awarded the Best Exhibition Stand Award, recognized for its standout presence on the show floor. Combining elegant design, strong brand presentation and an engaging visitor experience, the stand attracted significant attention throughout the three days of the event.
